NOTICE OF OPPOSITION

Opposer, CAPSIM Management Simulations, Inc. ("Opposer"), an Illinois corporation with its principal place of business at 540 Frontage Road, Suite 3270, Northfield, Illinois 60093, believes it will be damaged by registration of the mark shown in US Application Serial No. 77/146,122. Opposer, through its attorney, Davis McGrath, LLC, hereby opposes the application pursuant to 15 USC 1063(a). The grounds for this opposition are as follows:

1. Opposer, CAPSIM Management Simulations, Inc. ("Opposer"), an Illinois corporation, formerly known as Park Li Management Simulations, Inc., has a principal place of business located at 540 Frontage Road, Suite 3270, Northfield, Illinois 60093.

2. Opposer is one of the world's leading producers of business simulation software for use in colleges and universities.

3. Since at least as early as 1985, Opposer has been creating, distributing, and selling business strategy software simulations for educational purposes, serving academic institutions and corporations. Opposer has spent significant sums on advertising and protecting its trademarks and service marks, both nationally and globally. Opposer has sold its products to over 500 business schools throughout the world as well as many Fortune 500 companies

including General Motors, Dell, Goldman Sachs, Caterpillar, Allstate, Microsoft, PricewaterhouseCoopers, and SonyBMG.

4. In addition to providing simulations to higher educational facilities, Opposer provides educational material and services in connection therewith, since at least as early as 1985, under the mark CAPSTONE. These educational materials and services include customized seminars and educational workshops lasting as long as eight days.

5. Opposer's trade name, CAPSTONE Management Simulations, has been registered with the Illinois Secretary of State since February 2, 1991.

6. Opposer currently owns thirty-eight federally registered trademarks and twelve pending applications for educational services and goods related to strategic business simulation software for educational purposes.

7. Opposer's federal registrations in the United States (collectively, "Opposer's CAPSTONE marks") include:

CAPSTONE CHALLENGE	US Reg. 302328 0	41	Entertainment and educational services, namely, conducting contests in the field of university-level business management education.

True and correct copies of Opposer's CAPSTONE registrations are attached hereto as Group Exhibit A. The appropriate assignments have been recorded for the registrations originally registered in the name of Park Li Management Simulations, Inc.

8. Opposer also owns three pending use-based trademark applications incorporating the element CAPSTONE:

- 1) CAPSTONE PLANET, US Serial No. 77064765, filed December 14, 2006;
- 2) CAPSTONE TEACHES BEST, US Serial No. 77307044, filed October 18, 2007; and
- 3) CAPSIM CAPSTONE, US Serial No. 77324385 filed November 8, 2007.

These three pending applications are used for providing an online computer game for educational purposes in Class 41 and providing temporary use of an on-line non-downloadable software that

enables users to perform business management techniques in the context of imaginary fact patterns in the field of business management education in Class 42. True and correct copies of the TARR status reports for these applications are attached hereto as Group Exhibit B.

9. Opposer's mark CAPSTONE, US Reg. 2245268, was registered on May 18, 1999. The appropriate Section 15 affidavit having been filed, the registration is now an incontestable registration for use with computer program software for use in business planning; computer software for business computer simulations in Class 9, as well as user manuals and printed instruction manuals related to computer software for business computer simulations in Class 16.

10. Opposer has expended significant resources in the promotion and advertising of its goods and services under its CAPSTONE marks. Accordingly, it has built substantial good will and reputation. The CAPSTONE marks have become widely known for denoting high quality business educational products and services.

11. On April 2, 2007, Sharon Bender ("Applicant") filed a federal use based application for the trademark CAPSTONE LEARNING CENTER for use with educational services, namely providing tutoring, workshops, academic advising and counseling in research and writing projects in International Class 41 (hereinafter referred to as "Application Serial No. 77146122"). Application Serial No. 77146122 indicates a disclaimer for the phrase "learning center".

12. Upon information and belief, Applicant is an individual located in the State of New Jersey at 154 Greendell Rd., Newton, New Jersey, 07860.

13. Application Serial No. 77146122 was published for opposition in the Official Gazette of the United States Patent and Trademark Office on October 9, 2007.

14. On November 7, 2007, Opposer (via its assignor, Park Li Management Simulations, Inc.) was granted an extension of time to and including February 6, 2008, within which to file its opposition. *See, supra*, Par. 1.

15. Pursuant to 37 C.F.R. § 2.102(b), this Notice of Opposition is timely.

16. Opposer's rights in the CAPSTONE marks are superior to Applicant's rights to CAPSTONE by virtue of Opposer's prior registrations and the longstanding use of its marks in interstate commerce within the United States.

17. Applicant's adoption and use of the CAPSTONE LEARNING CENTER mark is without Opposer's consent.

COUNT I
Likelihood of Confusion
Section 2(d), 15 USC 1052(d)

18. Opposer repeats and re-alleges each and every allegation set forth in Paragraphs 1 through 17.

19. The CAPSTONE marks are used in connection with educational services that teach students about business management.

20. Applicant's application similarly seeks registration for use of in connection with educational services that teach students about, *inter alia*, business services ("small business marketing"). A true and correct copy of a print out of a page from Applicant's website, as accessed on February 4, 2008, is attached hereto as Exhibit C.

21. Further, Applicant's mark is for education services in International Class 41, as is Opposer's CAPSTONE marks.

22. The services for which Applicant seeks registration of her mark are highly related to Opposer's products and services.

23. Applicant's mark CAPSTONE LEARNING CENTER is substantially identical to Opposer's CAPSTONE marks in sound, appearance and meaning such that the marks create the same commercial impression.

24. Opposer will be damaged by the registration of Applicant's mark because it so resembles Opposer's previously used and/or registered marks as to be likely, when used in conjunction with the services specified in the application, to cause confusion and mistake or to deceive consumers in violation of Section 2(d), 15 USC 1052(d).

25. Any defect, objection or fault with Applicant's services marketed under its CAPSTONE LEARNING CENTER mark would necessarily reflect upon and seriously injure the reputation and good will Opposer has established for the business education goods and services it has marketed under the CAPSTONE marks.

26. Opposer has the right to continue using the CAPSTONE marks in connection with its services and related goods without interference by Applicant and without confusion, mistake or deception.

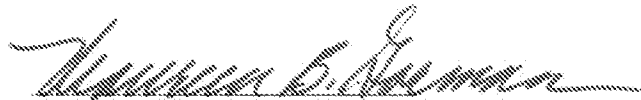

WHEREFORE, Opposer, CAPSIM Management Simulations, Inc. respectfully requests that this opposition be sustained in favor of the Opposer and the application for the mark CAPSTONE LEARNING CENTER, US Serial No. 77146122, be refused registration, and for such further relief as this Honorable Board deems appropriate.

Opposer herewith submits the requisite filing fee.

Respectfully Submitted,

CAPSIM Management Simulations, Inc.
